### *Good Works Basket*

Did you know that the **CHILDREN'S LUNCHBOX** provides weekend food bags to nearly 3,000 students in eight Title 1 schools in the Anchorage School District each week? Each bag containing enough food for three meals and a snack for the weekend. And the **Children's Lunchbox** doesn't stop when school ends but continues to deliver meals through numerous youth summer programs. Knowing that children who receive proper nutrition will be healthier, active, more prepared and more successful in their futures provides their firm commitment.

Did you know that **BEAN'S CAFÉ** serves a warm breakfast and lunch to anyone in need 365 days a year? They also provide shelter during the day as well as a variety of support services. "The underlying premise of **Bean's Café** is a deep belief in the inherent dignity of every person, a belief that people respond with kindness when treated kindly, with trust when trusted, and respectfully when respected..."

**How can St. John's help with these important missions?** Diana Arthur, Development Manager for Beans Café and the Children's Lunchbox says "**What we need most is FOOD!**" Because the needs for these programs are specific, please pick up a list located at the Good Works Basket to carry with you as you do your shopping. With our help, we too, can make a difference.
